

# Become a Smartscape Supporter

The Smartscape Program helps landscape and irrigation professionals and the companies they work for move ahead of the competition, while staying up to date on the latest industry trends, research, and best practices.

## Empower your employees:

- Smartscape educates professionals on the fundamentals of designing, installing, irrigating and maintaining beautiful, water-efficient landscapes.
- With informative classes, networking, and marketing opportunities, Smartscape is an affordable way for professionals to strengthen their practice and innovate their business.
- Classes are taught by local industry experts, academics, and practitioners and are offered in English and Spanish.
- CEUs have been applied for with the Western Chapter of the International Society of Arboriculture (ISA).

## How to become a Smartscape Supporter:

- Your company's level of commitment to water-efficient landscapes and understanding of the importance of desert-adapted plants will determine your qualification to become a Smartscape Supporter.

## Smartscape Supporter benefits:

- Company information including all contact info will be added to the Smartscape Business Directory.
- Recognition on social media.
- Business spotlight
